## PRODUCT NEWS

### Apples

Red Delicious, Fuji, Gala, Granny Smith, Hidden Rose, Honey Crisp, Lucy Glo and Pink Lady continue. Organic CA grown Organic Black Arkansas Apples from Cuyama Orchards are in stock this week. The Black Arkansas Apple is one the last storage Apple varieties that has dark red to almost Black skin and firm, yellow flesh. WA grown Fuji, Granny Smith & Opal Apples are in stock. Cosmic Crisp Apples are expected after Thanksgiving.

### Asparagus

Supply will be snug through Thanksgiving week; Baja Production is still limited, especially on large and jumbo size. Market also will be very expensive. White asparagus is available but limited coming from Peru.

### Beets

Row 7's Washington State grown Organic Badger Flame Beets Supplies continue. Babe Farms Baby Stripe, Gold Beets & Red Beets supplies are gapping. We are filling in with MX grown Baby Beets without tops as available until supplies improve. County Line Baby Beets will start around the middle of December.

### Broccoli:

Broccoli Crowns are in stock coming from the Salinas and Santa Maria areas. Yuma and desert grown product will start in early December. We are seeing increased insect pressure on both conventional and organic. Organic Broccoli Crowns are gapping from Lakeside and Coke Farm. Sweet Baby Broccoli supply has improved. Romanesco is gapping due to insect pressure. Broccoli Rabe is in good supply. Organic Broccoli De Cicco is in stock from Coke Farm but subject to outages due to aphid pressure. Organic Purple Sweet Baby Broccoli is in limited supply.
